

ACCOUNT GUIDE FOR STUDENTS

The need to maintain a database of students in the various academic departments of the polytechnic has increasingly become necessary for better management of students' records.

As a result, each student is required to create and maintain an online account at <https://bspdatobot.name.ng/ssPortal/accounts/signup>

REQUIREMENTS:

1. Digital copy of passport-size photo ready in jpg, jpeg or png format.
2. Scanned copy of birth certificate and school entry qualifying certificates in jpg, jpeg or png formats.

IMPORTANCE:

1. Enrolment data can be tracked every semester for effective management.
2. Enhances efficient synergy between the departments and the polytechnic management at mitigating academic and other related issues.
